Mrs. Woods call us to inquired on the noise that her neighbor is making with construction equipment. Mrs. Woods advised me that she shares a condo with two other families and #20 is always making noise with his construction equipment. Mrs. Woods stated that on their condo contract it does not allow the use of heavy equipment on the property. I then made contact with Mr. Hanley who resides in #20. Mr. Hanley advised me that the condo contract states that each member will and can take care of their respectable property how they choose to, he stated that he does not work at night or early in the morning because he doesn't want to disturb anyone but he have to work on his property. I advised both subject that the matter appear to be civil and that I will email the code enforcement for the town and he should be in contact with them sometime next week. All clear.
